Notes:

· Interest on deposit is calculated on a (365-day) year basis as follows:

- Term deposits: Interest is calculated according to the term of the deposit and added on the maturity date.
- Savings accounts: Interest is calculated monthly on the lowest balance and added at the end of June and December of each year, and is calculated on the basis of A (360/360)

The above interest rates will apply to customers' term deposits that mature according to the details below:
